Our mission is to fulfill the educational potential for every student. As school budgets shrink and class sizes grow, the PTA's importance in helping provide our school with opportunities and materials increases significantly. We are asking our community to partner with ITE PTA for financial support or donations of goods and/or services to help us fulfill that mission. In return, your business or organization will receive an opportunity to reach over 700 students and their families. There are several sponsorship levels so even the smallest of businesses can be involved! With your tax-deductible donation, you will not only help support our school, but this opportunity will also showcase your business with appreciation and recognition in our community.
